

Geneva, April 7, 2014

Media briefing:

In reference to the March 31st 2014 issued by Malca-Amit (Switzerland) SA on the theft of my 50.66 ct pink diamond, I Sylla Moussa, am issuing this present press release in order to reply to the news briefing.

I strongly deny the defamatory allegations of Malca-Amit (Switzerland) SA and in particular the calumnious allegations of Mr. Francisco Mauro Bautista.

A criminal complaint for defamation (art. 173 of the Swiss Criminal Code) is submitted today with the General Prosecutor of Geneva together with an official confirmation by the South African Police Service stating officially that no conviction has been recorded for any crime in the Republic of South Africa against me. In fact, I am in possession of the SA Police clearance certificate.

As this defamatory and calumny matter we have dealt with, let's focus on the real subject!

1. I have deposited my diamond and signed a storage contract dated August 16 2007 as the sole legal owner of the said diamond.
2. I am still in possession of the original deposit contract with Malca-Amit.
3. I have never signed for a release and never authorized Malca-Amit to release my diamond to anyone or any third party. Especially to said Zunaidi Moti (Abbas Moti) in which Malca-Amit (Switzerland) SA was clearly warned not to release my diamond to Zunaid Moti (Abbas Moti) .
4. I have in my possession, confirmation from Malca-Amit notably in 2013 that they are holding my 50.66 ct diamond in their storage on my behalf plus several formal and legal evidences which are in the hands of the relevant Swiss authorities.
5. We state that it is in the public domain that the Regional Manager Europe, Israel Logistics and Supply Chain of Malca-Amit Hochberg Aharon (Aaron) has resigned one month ago together with the main Director Madieu Emmanuel-Philippe who was dealing directly with our deposit through the alleged fraudulent transfer and theft of my diamond, all in which is fully documented.

We are confident that the Swiss justice will prevail and justice will be done.

Thus clarify our position,

Thank you all

Sylla M
